A feeling of luxury...
luxury for the senses

Satisfy the senses

A rainbow of nuances

Rooms for sharing

Create unique spaces

Spaces that invite you to relax

Subtle glints

Shades of shine

Fusion of styles.

Rooms full of light

Oasis of colour.

That's what ezarri's new glass mosaic products can do.

The perfect union of material and shape.

Silky finishes reflect varying nuances of shine, elegant tones transmit perfection, harmony, sophistication and glass mosaic textures help create welcoming ambiances, within the most contemporary decorative schemes.

Because we know that when you face the challenge of designing a new hotel or

doing a complete refurbishment, you want to find

decorative solutions that reflect your creativity

and imagination and are up your own

and your clients' aesthetic

expectations.

ezarri wants to provide you with decorative solutions that adapt to any ambiance

and which will be admired by all who see it. We want to offer you glass mosaic: a

new concept for designing ambiances full of light and shine.

The utmost in luxury for the senses.

A rainbow of nuances

ezarri offers you an extremely comprehensive range of textures
and colours in the glass mosaic world. It adapts to curved
surfaces and is unquestionably durable.

A material brimming with brilliant advantages over other materials:

- Safe
- Ecological
- Economical
- Hygienic
- Tough

If you are thinking of offering new decoration options, ezarri proposes innovative interior design possibilities and compositions.

ezarri's tiling and decoration solutions are capable of reflecting any personality, which is why they are so suitable for decorating the common areas of your hotel: the lobby, lounges, dining rooms and meeting rooms. Easy to clean, elegant and offering infinite aesthetic combinations, this decorative art is the perfect option for making your hotel a successful meeting place.

HOTEL IZVOR ARANDJELOVAC, Belgrade, SERBIA

Rooms full of light

Nowadays, surprising guests with never-before-seen decorative ideas is a safe value, even more in the rest and relaxation areas.

HOTEL N'HOW BERLIN GERMANY. Designer: KARIM RASHID

We are sure that your hotel is welcoming and attractive, but if you add ezarri tiles, you will be guaranteed a unique, original decor, which can be used, for example, to personalise each and every bedroom. Using the same material to decorate both, bedroom and bathroom, also brings continuity to your aesthetic code.

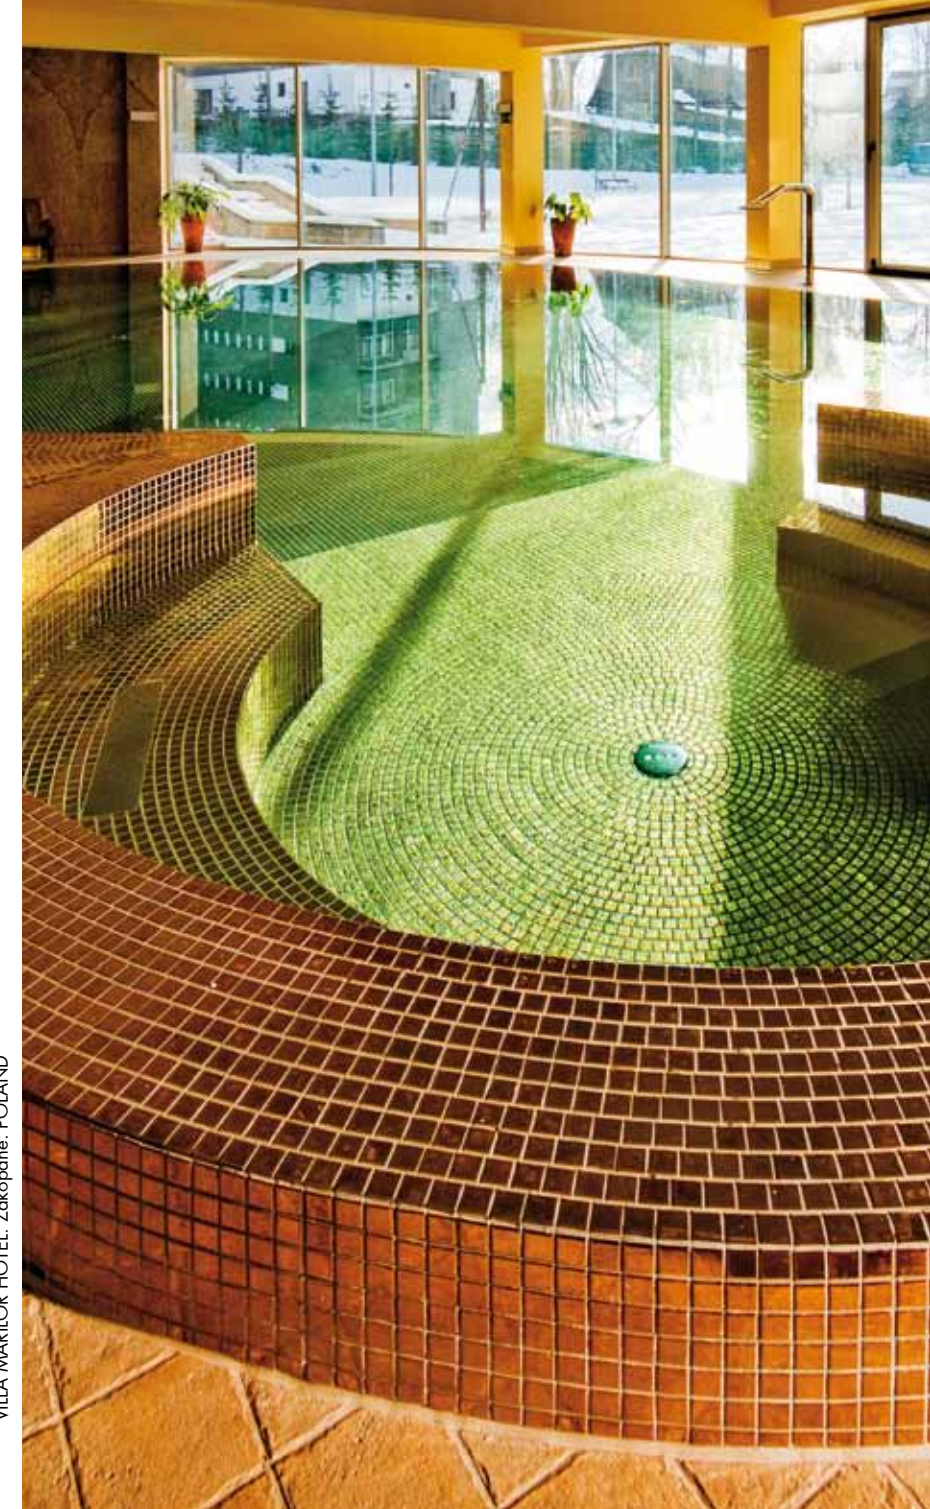

Spaces that invite you to relax

Swimming pools, spas, talasotherapy or gyms

HOTEL OSSA CONGRESS & SPA. Rawa Mazowiecka. POLAND

It does not absorb water, preventing the development of germs and fungi, an essential aspect in all constantly wet places.

VILLA MARILOR HOTEL. Zakopane. POLAND

These are the places where ezarri creations have the greatest impact thanks to the natural beauty of water and the shine and colours of the mosaic. A mosaic that stands out because it is absolutely hygienic, easy to clean and gratifying because it is extremely resistant to chemical products and is manufactured with a special silica based treatment, which allows us to offer the highest non-slip safety levels.

A five-star product

That's ezarri. A product full of advantages and possibilities. A perfect solution for all types of projects where creativity and freshness need to come together with practicality, economy and sustainability.

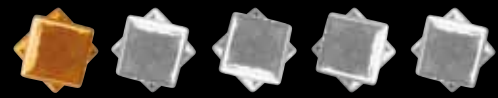

ezarri is a total solution. A five-star solution.

Our commitment,
your satisfaction

ezarri manufactures all its products in Lazkao, Spain, which is why the quality assurance of the materials is absolutely guaranteed. Ours is the first glass mosaic company to obtain the ISO 9001-2000 Quality Certificate in recognition of our established, efficient quality assurance system.

Quality

The ezarri commitment

We want you to know that we are totally committed to our clients:

- 95% of our products are in stock, meaning we offer immediate availability.
- We meet delivery deadlines in 97% of orders and a total of 99.5% of orders are processed successfully.
- We offer customers an Installation and Customer Care Service which, as well as answering all your questions about which materials to use and offering installation recommendations, also offers ezarri's own Installation Service as well as monitoring and control of external installation.

High technology at the service
of your imagination

What does this innovative system offer?

- Better finishes
- Resistant to damp
- Easy-to-install
- It is 25% faster to install

VILLA MARILOR HOTEL. Zakopane. POLAND

Technology

JointPoint® is a new system that has been designed exclusively by ezarri and which uses advanced technology to guarantee perfect, even product installation. The **JointPoint®** system frees up 92% of the surface of the mosaic for application of fast drying cement, providing a total grip surface and therefore, superior adhesion. The **JointPoint®** points system has the smallest, most homogenous and controlled point, making ezarri mosaic easy to admire.

Respect for the environment
lights us up

HOTEL ITURREGI . Getaria. SPAIN

If it can be done, we do it. At ezarri, respect for the environment
and concern for more sustainable architecture are facts.

For example, we hold International Quality Certification ISO 14021,
which guarantees that ezarri has an effective management system
in place to guarantee our on-going commitment to the environment.

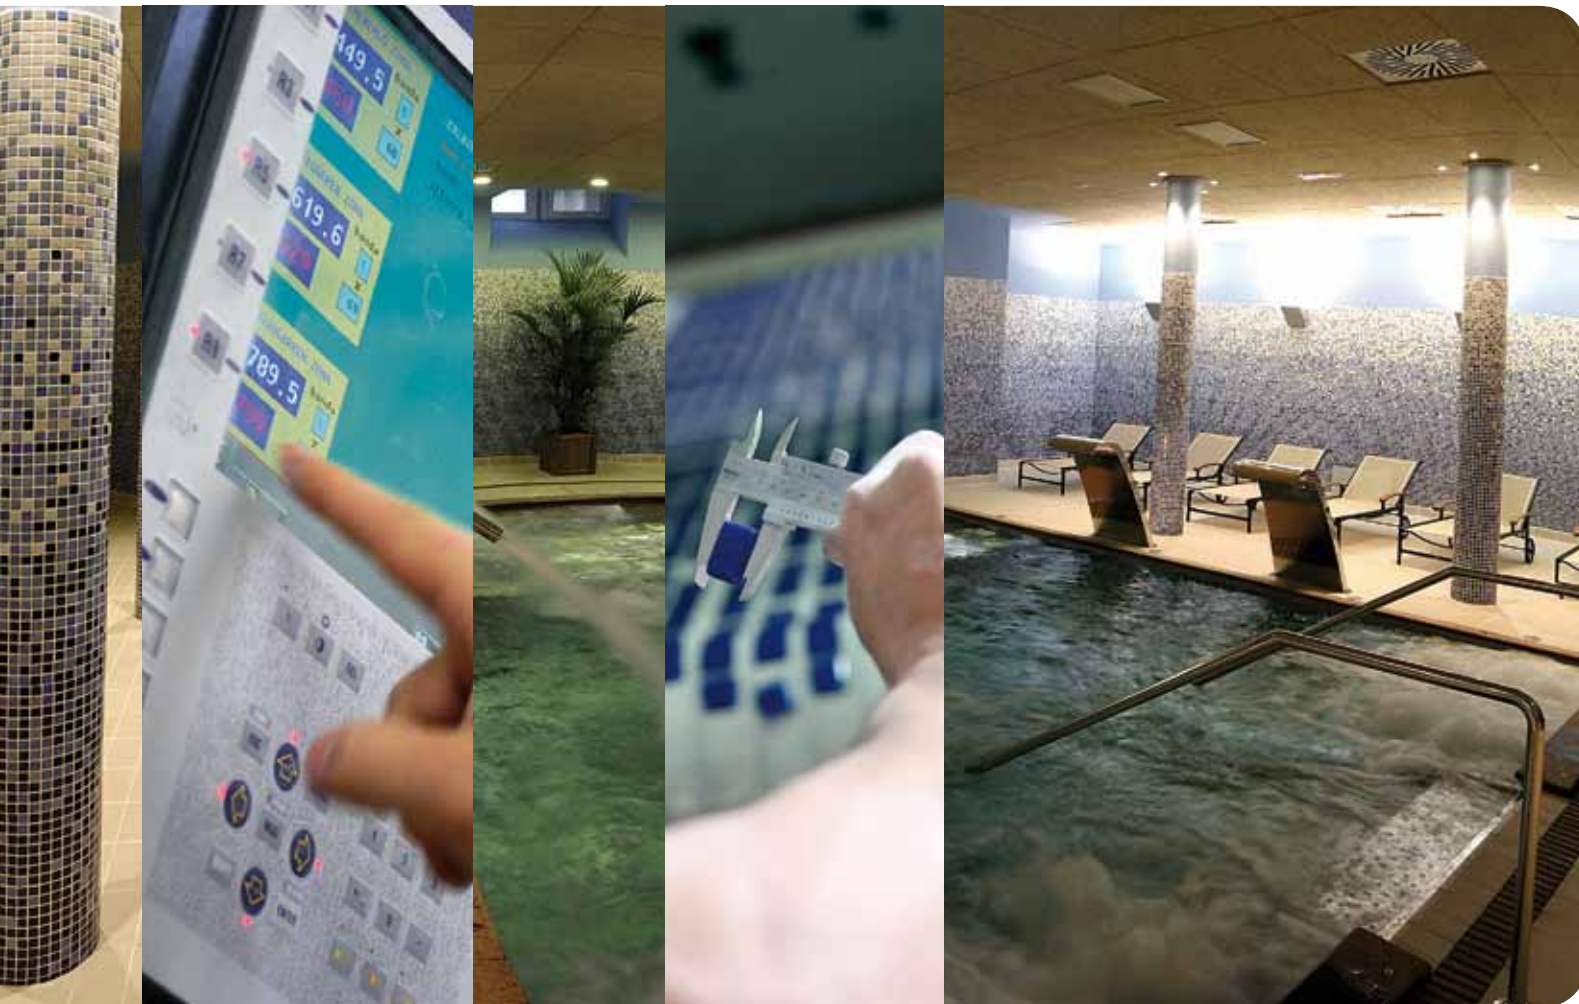

Sustainability

ezarri is also part of the Green Building Council, a prestigious non-profit association which works to promote
sustainable building and grants internationally recognised environmental certifications.

But let's talk about our glass. All the glass we use as raw materials in our production processes is recycled
glass.

A product that is always on the boil and evolving

Glass mosaic is continuously evolving as a material to be used in architecture. ezarri has absorbed this evolution and given it an innovative character.

New ranges, collections, colours, textures, nuances, shapes... all managed in our R&D department which continues to look to the future.

A future we hope to share with you.

Evolution

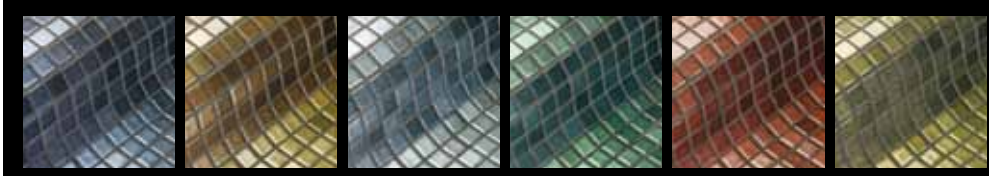

ezarri is a growing brand that exports its products to more than 60 countries. We are continuing to move forward, offering more decorative possibilities every day with a noble, attractive, contemporary material that has become a passion for us: glass mosaic.
